Gene Potts Memorial is Turning 3

This October, we're celebrating two special birthdays: the incredible man who inspired our mission and our nonprofit's 3rd year of serving adult chemo patients and their caregivers.

We're gathering at Top Golf for a day of fun and fundraising, and we need your help to make it a success. Your support provides patient grants and services while also keeping our mission strong, ensuring we can continue helping families with medical bills, travel for treatment, daily living costs, and programs that remind them they are seen, valued, and supported.

Your sponsorship makes a real impact. Attached, you'll find details on support levels and the heartfelt perks that come with them, along with the knowledge that you've helped a family facing one of life's hardest battles.

Whether you sponsor, attend, or share our story, your support ensures that no patient faces their journey alone.

Sponsorships:

\$5000 Ace in the Hole

Logo will be at all bays and tables.

1 bay for 6 players plus food and non-alcoholic drinks

Logo on banner as main sponsor

Website logo and business information on sponsor page
